**Welcome back Three-wheeler riders!** Who's ready for another weekend of nonstop action?!

## **Wednesday 20th & Thursday 21st**

This year we're leaving Wednesday the 20th and Thursday the 21st open from any scheduled activity. You're encouraged to be present these days but it is not necessary. In the past years we've used these days previous to trikefest getting to know other riders and also just enjoying all the riding at the Haspin Acres facility. Wednesday and Thursday may be considered free time days.

### **Camping**

Camping at Haspin Acres is primitive with no water or electrical hook ups. Your RV is welcomed but be prepared for a tricky time coming in or out if it rains. A good tent that is rain proof is recommended if you don't have an enclosed trailer or RV. It has rained every year but once, so pack accordingly!

### **Lodging**

Unfortunately there is no local lodging or motels near Haspin. The closest ones are North in Connersville, IN.

### **Poker Run 9:45AM Fri**

2006 was our first year for the poker run and it was a great success! Take this opportunity to ride as a group among these medium difficulty trails. We'll also be touring by some landmarks on the Haspin Acres area such as the shoe tree. Working brakes highly suggested! Last years went great and it was very cool to look forward or backwards and see a solid stream of three-wheelers. This year we'll be ending the poker run at the Devils Backbone in order to start it up. **Meet up outside the pavilion at 9:45AM for riders meeting and trail marking discussion**

**Poker run will start at 10:00AM.**

### **Devils Backbone Hill Climb 11:30AM Fri**

Last years event was a success with plenty of great moments. For '07 one of the most technical sections on the entire Haspin Acres property is calling your name again. This hill is gnarly and only for the brave with an itch that needs scratched. Either way, spectator or rider the Devil's Backbone is not for the faint at heart!

Pack some food, group lunch at the backbone during the ride time scheduled!

### **Food & Gas**

Fire the grills up! We recommend that you bring at least one large cooler with all of your food to carry you over while you are there. There is one gas station in the town of Laurel right outside of Haspin Acres that will probably be able to provide you with some minor needs but it is not a grocery store. The closest major town with a grocery store is Connersville, IN to the North.

### **Drag Strip 3:00PM Fri.**

We're gonna start the drag strip runs a little bit early this year. From **3:00PM till 5:30PM the runs will be strictly grudge style matches for fun.** Quads and dirt bikes are allowed. This has been a whole lot of fun in the past where things have been on the strip ranging from the 3 wheeled car, to CR500 conversions on down to ATC70s! Perfect way to finally settle the questions that beg, Who's faster?!

**Due to popular demand After 5:30PM** We'll start getting a little bit more serious. 2 classes will be formed, a **"General" class** which is limited to the following: No out frame exhaust pipes, No alcohol burners or nitrous systems, no hybrids, and a maximum +4 swing arm. 2 strokes, and 4 strokes both will be in this class. The top 4 finishers in this class will then run off to determine the fastest in this class. In-between the General and Unlimited classes we will have a half time show by the pee-wee riders with a Youth class. After that the big boys will roll out in the **"Unlimited" class**. Anything goes here, street bike power, alcohol, nitrous as long as its on 3 wheels you can race it.

**See Last page on Brochure for more detailed information classes and structure.**

ride in Howdy's  
3wheeled car

## Motocross Races 11:30AM Sat.

The MX races are back again in 07 for yet another kick in the pants to those trike riders ready for some high flying action! Whether your clearing a triple in the expert class or rolling through the whoops in the unsuspected class the MX races are definitely an awesome time. Its competing brands against each other, out of state rivalries and accelerating each racer to their individual limits. We do recommend that you try to wear as much safety gear as possible if your going to be racing. Helmet, Goggles, Gloves, Chest protectors, and MX or work boots at the least. We do not want to see any injuries out there. As Always, be extra careful and never ride above your own known abilities!

**Riders Meet 11:30AM**  
**Racing Starts 12:00N**  
**More Info: Page 2 Back**

### MX CLASSES

- **Hi Performance - Expert**
- **4 Stroke Open - Expert**
- **2 Stroke Open - Novice**
- **4 Stroke Open - Novice**
- **Mid Size Suspended**
- **Semi-Suspended**
- **Unsuspended**
- **Ladies' Trike**
- **Mini Quad**

Please see the back of page 2 for more info on the details of the MX classes.

### SCORING

We will again use super cross style scoring. The first race is strictly for line position in the 2<sup>nd</sup> moto. Your 2<sup>nd</sup> moto place is what counts for your final position and trophy. First moto will be 3 laps. 2<sup>nd</sup> moto will be determined by riders AFTER the first moto.

## Saturday Awards 8:00PM

We nearly blew the roof off the house during last years awards ceremony! Tons of great door prizes, and awards were given away. The camaraderie was great and we hope to have a repeat of that again this year in the Haspin Acres cafeteria. Even more prizes and awards are planned for this year then last year. TONS and TONS of free stuff will be given away so you don't want to miss this climax of the entire event.

In addition to all that, the **RAFFLE TRIKE** will return this year. For '07 we will be selling tickets at last years price of 1 ticket for \$5 or 5 tickets for \$20. These tickets will be available for purchase the entire weekend from select people, but will also be available during the awards ceremony. Leave some trailer space cause somebody's taking home an '85 200X with them! Tickets will be available prior to the event on the 3WHeeLeR WoRLD Forums.

## Group Picture 5:30PM Sat.

The group picture was rained out in 06 and was severely missed. This year the group picture will be back with a BANG! **At 5:30PM Saturday evening** we want everyone to bring every three-wheeler they brought with them up to the drag strip where we will form a single file line that winds and weaves its way back behind the main office towards the woods. Lets get them lined up for the worlds longest row of single file three-wheelers!

## Photography

We've once again enlisted the superb photography skills of Mike Davis from Moto Lenz. Just like last year Mike will be able to print professional pictures of the action during the entire weekend right there on the spot. In addition to that, make sure you've brought your own camera to help capture those memories that will last a lifetime- There's nothing like Trikefest!

### Cost and Fees

\$15 per day with a \$1 liability waiver card fee. Once you are inside Haspin Acres there are NO fees or costs to participate in the Trikefest Events.

### More Info

If you have some more questions, the best place to get them answered is on our forum at: [www.3wheelerworldforums.com](http://www.3wheelerworldforums.com) We've got a special section dedicated solely to Trikefest. Post your question there and someone will get the info you need to you! See also the staff contact information below.

### Credits

This would take up 10 pages if I thanked everyone by name...But Thank you te fold to everyone that has helped out in anyway shape or form with this event. Organizers, attendees, the Haspin Acres management for having us. Thank you everyone!

**Signup closes Saturday at 11:00am!!!!!! Please register early!!! (see TimSr)**

**Safety Equipment** – Haspin requires helmets be worn at all times. It is also highly recommended that goggles and boots providing ankle protection and pants that cover legs be worn, though the park does not require it.

**Number Plates** – We cannot score you if we can't see your number! A rear grab bar number plate, or number plate on back of chest protector is required. Numbers should be 6-8" tall and contrasted to background so our volunteer amateur scorers can easily read them. Front and/or side number plates are also helpful but not required. You can't have too many numbers! It is also suggested that you do not use single digit numbers as it makes duplications a lot more likely, and somebody will have to change their number. We do not provide number plates so you'll need to make them, or buy them at your local motorcycle dealer. Cheap number plates and numbers usually run you less than \$5. The background plates can be made from cut plastic jugs and numbers can be made from electrical tape.

**Scoring** – We will again use super cross style scoring. The first race is strictly for line position in the 2<sup>nd</sup> moto. Your 2<sup>nd</sup> moto place is what counts for your final position and trophy. First moto will be 3 laps. 2<sup>nd</sup> moto will be determined by riders AFTER the first moto.

## Classes

**Hi Performance – Expert** - For 250cc two stroke riders with MX experience and certain custom built 4 strokes that would be competitive with them.

**4 Stroke Open – Expert** - Basically 350X riders who do not belong in a novice class with their skill level and have inadequate suspension for Hi-Performance class.

**2 Stroke Open – Novice** - Mostly 250cc two stroke riders with little MX experience.

**4 Stroke Open – Novice** – Mostly 350X riders with little MX experience.

**Mid Size Suspended** – Under 250cc 4 stroke, or 175cc 2 stroke with front and rear suspension such as 200X, 250SX, YTM225, etc.

**Semi-Suspended** – Front suspension only, such as 200S, 200M, YTM200, YT175, etc.

**Unsuspected** – Up to 125cc such as ATC70, 90, 110, YT60, YT125, ALT125, etc.

**Ladies' Trike \*\*\*NEW!\*\*\*** - Ladies of all ages on any size 3 wheeler

**Mini Quad** – We wanted to include the kids! - Mini quads under 125cc. Adults may race mini quads but only 14 and under are eligible for trophy.

If you are unsure what class to run, or don't see a class that fits, contact TimSr ([Leadboot@neo.rr.com](mailto:Leadboot@neo.rr.com)) and we will find a way to make sure you are included. These are guidelines only and we can bend them as necessary to make things competitive and inclusive. In general, riders may run in more difficult class than they qualify for provided it does not impede other riders or cause safety concerns, but please get approval before signing up.

# Trikefest 2007 Drag Classes/Extra Info.

This year at TF-07 there will be classes set up as most of you already know. There will be three separate classes.

- 1.Youth class.
- 2.General class
- 3.Open/Unlimited class.

Below is a complete set of detailed rules so you will know how to set your bike up for the class you choose to run in.

## Youth class

-We all know pretty much what this class consists of.....For the kids.

## General class rules.

-Trikes only.

- Exhaust must be ran in the way the manufacturer of your machine designed it. (aftermarket pipes are allowed if ran in this manor)
  - The frame of your machine must be to factory spec.
- The engine on your machine must be what the factory installed on it. (any mods such as cam, long rod, boring, bigger carb, spacers, etc. o.k.) (cool heads and other aftermarket heads o.k.)
  - Big bores or overbore allowed as long as the jug is the stock original installed by the manufacturer. (OEM)
  - The swing arm of your machine must be no longer than 4 inches over stock. (with or without extensions).
- Your machine must run on pump gas with a max rating of 98 octane. (additives such as 104+ and like o.k.) (no race fuel)(turbo blue and cam 2 allowed. No oxygenated fuels)
  - No bolts or studs permitted in tires.
  - You MAY run wheelie bars.
  - No hybrids or conversions.

## Open/Unlimited class rules.

-Trikes only.

- Drag pipes or any custom exhaust O.K.
- Hybrids and conversions O.K.
- Wheelie bars O.K.
- Race fuel, alcohol and Nitrous Oxide O.K.
- Tires may be studded by any device which was intended for atv use. (no custom set-up due to safety concerns)
  - Basically, if it has two wheels in the rear and one tire centered in the front you can compete.

General class to run single eliminations with top 4 riders going into finals with double elims. First place winner trophy, second and third place plaques.

Open/Unlimited class ran with double eliminations. First place trophy, second and third place plaques.

We will run a youth class between the end of the elims and the finals.
