

## Wednesday 7th & Thursday 8th

This year we're leaving Wednesday the 7th, and Thursday the 8th open from any scheduled activity. You're encouraged to be present these days but it is not necessary. In the past years we've used these days previous to trikefest getting to know other riders and also just enjoying all the riding at the Haspin Acres facility. Wednesday and Thursday may be considered free time days.

## Camping

Camping at Haspin Acres is primitive with no water or electrical hook ups. Your RV is welcomed but be prepared for a tricky time coming in or out if it rains. A good tent that is rain proof is recommended. Out of the 5 years of Trikefest it has only ever NOT rained one time.

# Trikefest 2006!

Haspin Acres - Laurel, Indiana.

**June 9th, 06**

**Presented by**  
**www.3wheelerworld.com!**  
**&**  
**www.3wheelerworldforums.com!**

### **Poker Run 9:00AM Fri**

2006 will be the first time we've ran a poker run in addition to our other events. The poker run starts 9:00AM Friday morning at the pavilion rain or shine. We expect the poker run to last around 1.5-2 hours for casual riders. After you've made your way through the poker run course return back to the main pavilion in the camping area to receive your cards. Rider with the best hand wins!

### **Devils Backbone Hill Climb 1:30PM Fri**

Last years event was rained out but you can bet this year there will be plenty of people checking out one of the gnarliest hills on the entire Haspin Acres property. Big sheets of rocks, tree roots, tire ruts, and wash outs make this climb out for expert riders only! Bring your camera for some great action shots or if you've got the fortitude yourself to try it make sure you're not afraid to break something!

### **Drag Strip 4:30PM Fri.**

We're gonna start the drag strip runs a little bit early this year. From **4:30PM till 7:00PM** the runs will be strictly grudge style matches for fun. Quads and dirt bikes are allowed. This has been a whole lot of fun in the past where things have been on the strip ranging from the 3 wheeled car, to CR500 conversions on down to ATC70s! Perfect way to finally settle the questions that beg, Who's faster?!

**After 7:00PM** We'll start getting a little bit more serious. At 7:00PM we'll start doing drag race shoot offs where a number TBD will be picked and then will race against each other for the top 3 places in the drag racing competition. This is going to be a fastest of the fast competition. Engine and trike wise, There are no classes or rules except no Quads and no Bikes!

**Trikefest 02**  
Had Approx. 25 people in attendance.

**Trikefest 03**  
Had Approx. 60 people in attendance.

**Trikefest 04**  
Had Approx. 95 people in attendance.

**Trikefest 05**  
Had Approx. 190 people in attendance.

## Food & Gas

Fire the grills up! We recommend that you bring at least one large cooler with all of your food to carry you over while you are there. There is one gas station in the town of Laurel right outside of Haspin Acres that will probably be able to provide you with some minor needs but it is not a grocery store. The closest major town with a grocery store is Connersville, IN to the North.

## Trikefest 2006 Schedule (Cont.)

[Back](#)

### Trikefest Memories

Bruce's 250R teetering on 'holics trailer for miles until a cop stopped them and they discovered a tire had a hole worn in it.

Flyin' Brian owning everyone on the motocross track at Trikefest 05

"Man you see that thing down there in the basement? It was huge, like barge rope or somethin!"

Freaksfix on his little home made Briggs and Stratton powered three-wheeler racing in the motocross

Watching peoples trucks and trailers slip and slide around in the Haspin mud after it rained on Friday afternoon last year.

### Motocross Races 1:00PM Sat.

2006 will be our third year and hopefully largest turn out yet for the MX races! If you just watched last year, or 2006 will be your first trikefest I HIGHLY recommend you sign up! There will be classes to fit every shape and size of trike ever made. You wont be out of place. We had some great battles in a couple different motos last year and everyone that participated had a whole lot of fun. We do recommend that you try to wear as much safety gear as possible if your going to be racing. Helmet, Goggles, Gloves, Chest protectors, and MX or work boots at the least. We do not want to see any injuries out there. As Always, be extra careful and never ride above your own known abilities!

#### MX CLASSES

- **(Expert) Open Class**
- **4 Stroke Amateur**
- **2 Stroke Amateur**
- **Mid-size Suspended**
- **Semi-Suspended**
- **Unsuspended**
- **Mini Quads/Trikes**

(Expert) Open Class is for very skilled and advanced riders. Machines of all types will be in the class including any type of custom or conversion three-wheeler. The 2 and 4 stroke amateur classes will be for up to 250cc 2 strokes and 350cc 4 strokes. The riders may be familiar with their machines but just not ready for the pro class. Mid size suspended is 250cc and under 4 strokes. Semi suspended is no rear suspension (mono shock) but telescopic front forks. Unsuspended is no mono shock, no telescopic front forks. Mini Quads & Trikes is under 125cc both 2 and 4 stroke ridden by a junior rider.

### Saturday Awards 7:00PM

Last years awards ceremony turned out great. We had a 50/50 raffle, gave trophies to everyone that participated in an event, and gave away a whole bunch of free stuff thanks to CT Racing! This year we're moving the awards ceremony from the pavilion up to the cafeteria in the main office building at Haspin Acres. We'll be handing out trophies to the winners of the MX and Drag races, and plaques for various other things.

**We'll also for the first time be holding a raffle on a trike!**  
Tickets will be available for purchase on site for that also. Keep a close watch on the forum for more information about this.

### Group Picture

The famous group picture where everyone gets together for a parting shot will again be held at **4:30PM on Saturday this year**. We will first have all the three-wheeler lines up down by the pavilion in the camping area with the riders on them. After several photos have been taken the riders will dismount and the trikes alone will be photographed. And finally, everyone that is there whether their on a trike, bike, quad or truck will pile in for one monstrous group of people

### Photography

This year 3WHeeLeR WoRLD has made special arrangements for a professional photographer to be on hand the entire weekend! Everyone that attends will now have the opportunity to purchase some awesome three-wheeler photographs right there on the spot! Finally you'll be able to add some great pictures to your photo album of the Drag races, MX races, perfectly restored trikes, or anything else that catches your eye!

### Cost and Fees

\$15 per day with a \$1 liability waiver card fee.

### If you need More Info

If something has been left out or you have some more questions, the best place to get them answered is on our forum at: [www.3wheelerworldforums.com](http://www.3wheelerworldforums.com) We've got a special section dedicated solely to Trikefest. Post your question there and someone will get your question answered!

### Credits

This would take up 10 pages if I thanked everyone by name...But Thank you ten fold to everyone that has helped out in anyway shape or form with this event. Organizers, attendees, the Haspin Acres management for having us. Thank you everyone!
