Oh yeah, its back again. Trikefest 2008 baby!

Wednesday 11th & Thursday 12th

This year we're leaving Wednesday the 11th and Thursday the 12th open from any scheduled activity. You're encouraged to be present these days but it is not necessary. In the past years we've used these days previous to trikefest getting to know other riders and also just enjoying all the riding at the Haspin Acres facility. Wednesday and Thursday may be considered free time days.

Camping

Camping at Haspin Acres is primitive with no water or electrical hook ups. Your RV is welcomed but be prepared for a tricky time coming in or out if it rains. A good tent that is rain proof is recommended if you don't have an enclosed trailer or RV. It has rained every year but once, so pack accordingly!

Lodging

Unfortunately there is no local lodging or motels near Haspin. The closest ones are North in Connersville, IN.

Poker Run 9:45AM Fri

The 2007 Poker Run could have also been called a mud-run but it was a ton of fun even if it did take hours to get the good ole Haspin clayment scraped off the trikes and yourself. For 2008 we'll be starting out at the same time, same place. This year's course will traverse some of the same places as last year and also show up some new ones as well. The Poker Run is a great way to get associated with the trails and the layout of the Haspin Acres facility. We'll finish it up again at the top of the Devils backbone hill climb. **Grab your trike, gear and be at the pavilion down by the lake at 9:45AM for pre-run riders meeting.**

Devils Backbone Hill Climb 11:30AM Fri

The Devils backbone, while probably not the steepest at Haspin Acres it is probably the most technical challenge. You've got to negotiate huge boulders, rock sheets and ledges, 4x4 truck ruts, washouts, roots, and a pretty miniscule area to get your start up. If you think you got ride skills, this is the place to put it to the test.

You can also bring a camera and record the hilarity that will ensue when someone rolls!

Food & Gas

Fire the grills up! We recommend that you bring at least one large cooler with all of your food to carry you over while you are there. There is one gas station in the town of Laurel right outside of Haspin Acres that will probably be able to provide you with some minor needs but it is not a grocery store. The closest major town with a grocery store is Connersville, IN to the North.

Drag Strip 2:00PM Fri.

For 2008 we're having full classes with tech inspections. They begin at 2:00PM on Friday. Full class rules and requirements are available on page 2. **All machines will have to be pre-registered to be eligible to race.** If you do not show up for the pre-registration and tech inspection you will not be able to compete this year, sorry.

During the tech inspections and pre-registrations from 2-5:00PM we will be having unstructured grudge and practice racing. Take this time to get your machine dialed in or do some play racing with your buds!

Actual racing will begin at 5:00PM Friday. We'll have a stock class this year broken down into the following:

- 49-174cc
- 175-250cc
- 251-351cc 4 stroke
- 250cc 2 stroke

There will also be a modified class, and of course the pinnacle Open class where all the wild stuff comes out to play. There's always excellent match ups at the drag races. Checkout page 2 for a full list of details and rules governing the drag races and the class organization for 2008!

Trikefest 2008 Schedule (Cont.)

Back

Saturday June 14th 2008

Trikefest 07 Memories

Mud, Mud, Mud, Mud, Mud and more mud.(This is like 3 years running now)

We battled the CBR900RR drag three-wheeler but he was to powerful of an opponent...

FAST to say the least.

The Mud [aka Poker] run bottle neck where almost 50 people were stuck in the mud trying to find their way.

Thursday evening's American Idol like karaoke performance complete with a plastic groupie.

Derrick Adams debuts his Tri-Z 450F, but can't ride cause his arms in a cast!

Motocross Races 11:30AM Sat.

The MX races are back again in 08 for yet another kick in the pants to those trike riders ready for some high flying action! Whether your clearing a triple in the expert class or rolling through the whoops in the unsuspected class the MX races are definitely an awesome time. Its competing brands against each other, out of state rivalries and accelerating each racer to their individual limits. We do recommend that you try to wear as much safety gear as possible if your going to be racing. Helmet, Goggles, Gloves, Chest protectors, and MX or work boots at the least. We do not want to see any injuries out there. As Always, be extra careful and never ride above your own known abilities!

Riders Meet 11:30AM
Racing Starts 12:00N
More Info: Page 2 Back

MX CLASSES

Please see the back of page 2 for more info on the details of the MX classes.

SCORING

We will again use super cross style scoring. The first race is strictly for line position in the 2nd moto. Your 2nd moto place is what counts for your final position and trophy. First moto will be 3 laps. 2nd moto will be determined by riders AFTER the first moto.

Saturday Awards 8:00PM

We nearly blew the roof off the house during last years awards ceremony! Tons of great door prizes, and awards were given away. The camaraderie was great and we hope to have a repeat of that again this year in the Haspin Acres cafeteria. Even more prizes and awards are planned for this year then last year. TONS and TONS of free stuff will be given away so you don't want to miss this climax of the entire event.

In addition to all that, the **RAFFLE TRIKE** will return this year. For '08 we will be selling tickets at last years price of 1 ticket for \$5 or 5 tickets for \$20. These tickets will be available for purchase the entire weekend from select people, but will also be available during the awards ceremony. 2008's raffle trike is a rare limited edition BLUE Honda ATC110! Tickets will be available prior to the event on the 3WHeeLeR WoRLD Forums.

Group Picture 5:30PM Sat.

2008's group picture will be held down near the lake in the camping area. We want to get all the three-wheelers and their owners together for one final time before the end of the event. Spread the word to your friends and other campers near you to be by the pavilion at 5:30PM Sat with ALL of their trikes together in one place.

Photography

We've once again enlisted the superb photography skills of Mike Davis from Moto Lenz. Just like last year Mike will be able to print professional pictures of the action during the entire weekend right there on the spot. In addition to that, make sure you've brought your own camera to help capture those memories that will last a lifetime- There's nothing like Trikefest!

Cost and Fees

\$15 per day with a \$1 liability waiver card fee. Once you are inside Haspin Acres there are NO fees or costs to participate in the Trikefest Events.

More Info

If you have some more questions, the best place to get them answered is on our forum at: www.3wheelerworldforums.com We've got a special section dedicated solely to Trikefest. Post your question there and someone will get the info you need to you! See also the staff contact information below.

Credits

This would take up 10 pages if I thanked everyone by name...But Thank you te fold to everyone that has helped out in anyway shape or form with this event. Organizers, attendees, the Haspin Acres management for having us. Thank you everyone!

Haspin Rules

- 1) Helmets and safety equipment are required.
- 2) No riding after 9:00 PM or before 6:00 AM.
- 3) Speed limit 15 MPH on all paved and gravel drives.
- 4) Maintain a 20' clear distance from all fences.
- 5) DO NOT CROSS ANY DOWNED FENCES!
- 6) No hunting at any time.
- 7) No firearms.
- 8) Fires are to be maintained at all times.
- 9) No fires in the shelters.
- 10) Do not cut standing trees.
- 11) No swimming in the pond.
- 12) Riding is not permitted on pond banks.
- 13) Buggies and/or trucks are not permitted on motocross tracks.
- 14) If you must leave the park for any reason proof of entry must be shown at the front admission office before reentering the park.
- 15) Campsite trash is to be placed in a garbage can before leaving the park.
- 16) Drunken or obnoxious behavior will not be tolerated.
- 17) Children 14 years of age and younger are restricted to camping areas and must be under the supervision of an adult.
- 18) No one under 18 years of age will be permitted without a liability sheet signed by his or her parents or legal guardian.
- 19) No one is permitted inside the park without signing a liability waiver.

Signup closes Saturday at 11:00am!!!!!! Please register early!!! (see Kintore!)

Safety Equipment – Haspin requires helmets be worn at all times. It is also highly recommended that goggles and boots providing ankle protection and pants that cover legs be worn, though the park does not require it.

Number Plates – We cannot score you if we can't see your number! A rear grab bar number plate, or number plate on back of chest protector is required. Numbers should be 6-8" tall and contrasted to background so our volunteer amateur scorers can easily read them. Front and/or side number plates are also helpful but not required. You can't have too many numbers! It is also suggested that you do not use single digit numbers as it makes duplications a lot more likely, and somebody will have to change their number. We do not provide number plates so you'll need to make them, or buy them at your local motorcycle dealer. Cheap number plates and numbers usually run you less than \$5. The background plates can be made from cut plastic jugs and numbers can be made from electrical tape. Styrofoam plates are not recommended, as they tend to break off before you finish your moto, but will serve in an emergency.

Scoring – We will again use supercross style scoring. The first race is strictly for line position in the 2nd moto. Your 2nd moto place is what counts for your final position and trophy. First moto will be based on your class, and the 2nd race will be determined at the 2nd riders meeting.

Classes

Open A class- All A class Riders - pretty much anything goes - hybrids - monster trikes- Eat your wheaties and come prepared (6 lap start)

B class 2 stroke - 250cc 2 Strokes with some/little MX experience. (3 lap start)

C class 2 Stroke- 250cc 2 Strokes with no MX experience. (3 lap start)

A class 4 stroke - 350X class for advanced riders (option to run Open is there, 200x allowed if you feel the need!) (3 lap start)

B Class 4 stroke- 350x/ 200x class for riders with little to none MX experience. (3 lap start)

C class 4 stroke - 200X class including 250ES, 250SX, Yamaha fully suspended sport utility models - like 225 DX. (3 lap start)

A class Hard tail - 185cc and up hard tails (200S, 200M, 200 Big red, Yamaha 2 strokes 125 and 175cc) (2 lap start)

B class Hard tail - under 185cc - like Zingers, 70s, 90s, 110s, 125s. (2 lap start)

Ladies' Trike - Ladies of all ages on any size 3 wheeler

Mini Quad – We wanted to include the kids! (14 and under) - Mini quads under 125cc. Adults are welcome .

Geriatric Trike Exhibition – This will be a non-trophy exhibition class for mostly older riders with physical or health limitations who feel that even running a novice class would put them at health or safety risks, but are dying to experience Motocross! This class will run one lap for first moto, and riders will decide whether one or two laps in 2nd moto.

If you are unsure what class to run, or don't see a class that fits, contact (Kintore at joshballthearcher@hotmail.com or PM via 3WW) and we will find a way to make sure you are included. These are guidelines only and we can bend them as necessary to make things competitive and inclusive. In general, riders may run in more difficult class than they qualify for provided it does not impede other riders or cause safety concerns, but please get approval before signing up.

Trike Fest 08 drag rules..

All Trikes will have to be pre registered to be entered in the drag racing event..

The machine will be inspected by a Tec who will go over the machine and make sure it's placed in the proper class..
The rider will be given a number at the time of inspection and will be placed on the bike...you will be responsible for knowing your number..

The number will only be placed by a tec..

Discrepancy's with class placement will be handled by the tec's and have the final say..

Remember this is a fun event and is not worth fighting over..

Pre registration will be a must..

Youth ,Stock Class,Last Chance will be single eliminations

Modified and open will be double elem..

we will start with youth and go right into stock classes

Starting System

Last year there was some discrepancy on how we started..So We have done away with the whole number plate (dropping,turning which way it was turned)

We will now be using a Green light - Red light red is staging.. you will be pointed too to make sure you are ready..a simple nod of the helmet,,will tell us your ready.. when the red light turns green GO!!!! Finish line will be decided by 2 people on each side of the Finish line and a arm raise on that side of the track will tell the winner..and or a walkie talkie..maybe next year we will a full starting tree..

*** RED LIGHTS*** Red Lights will be counted as a LOSS.. obviously a 1/4,1/2 bike is a loss ..you will know it and the staging personnel will see it..staging person will be watching each start and its his or hers (Call) on the red light under 1/4 bike.. bests bet .. wait till it turns green..

***If final win cannot be decide by ether sides at the finish line a RE-RUN will be called...

***All final lane choices will determined by wins and losses.If tie a coin will be flipped..

- 1.Youth class
- 2.stock class
3. modified class
- 4.open class

Rules.

1. Youth..

- A. trike or quad under 125cc
- B.must be 12yrs old or younger
